# TELSTAR

One transatlantic telecast would require the equivalent of 600 voice circuits. This is more than the combined total of cable and radio existing now.

Telstar—dream of the past, landmark of the present, herald of the future. Measuring only 34½ inches in diameter and weighing only 170 pounds, this little satellite will, in the near future, reach many seemingly distant horizons in the world of communications.

The idea of Telstar was born in the Bell Laboratories at Murray Hill, New Jersey. With the world's decreasing in size through our great transportational systems, we need some efficient way of communicating with those across the seas. The huge expense of stretching cables under the oceans has prohibited extensive use of that means, and short-wave radio-telephone has limited reliability. Something had to be done.

And something was. At 4:35 A.M., on July 10, 1962, Telstar was sent forth on its mission. The main purpose of the satellite was to test the use of space for international phone calls. It required the work of four hundred scientists, technicians, engineers; the inspection and compilation of over 15,000 parts; and the prayers of millions of people the world over.

Hundreds of technicians and engineers worked on the little instrument for many long hours in preparation for the big flight.

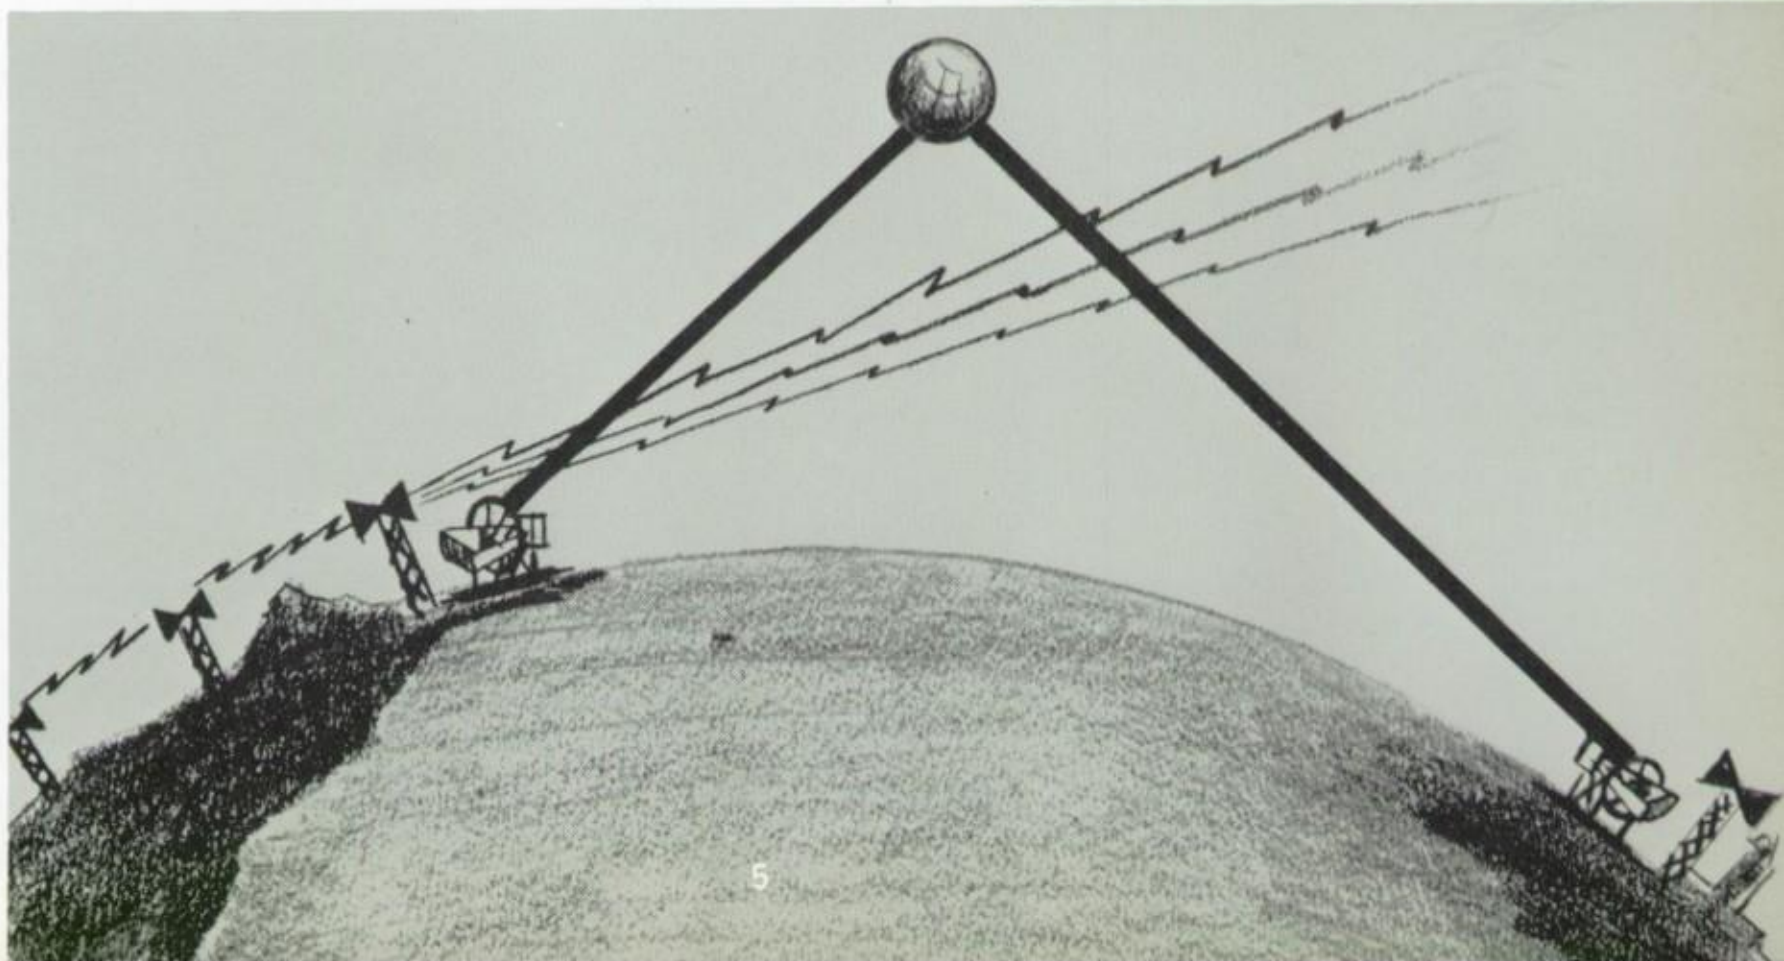

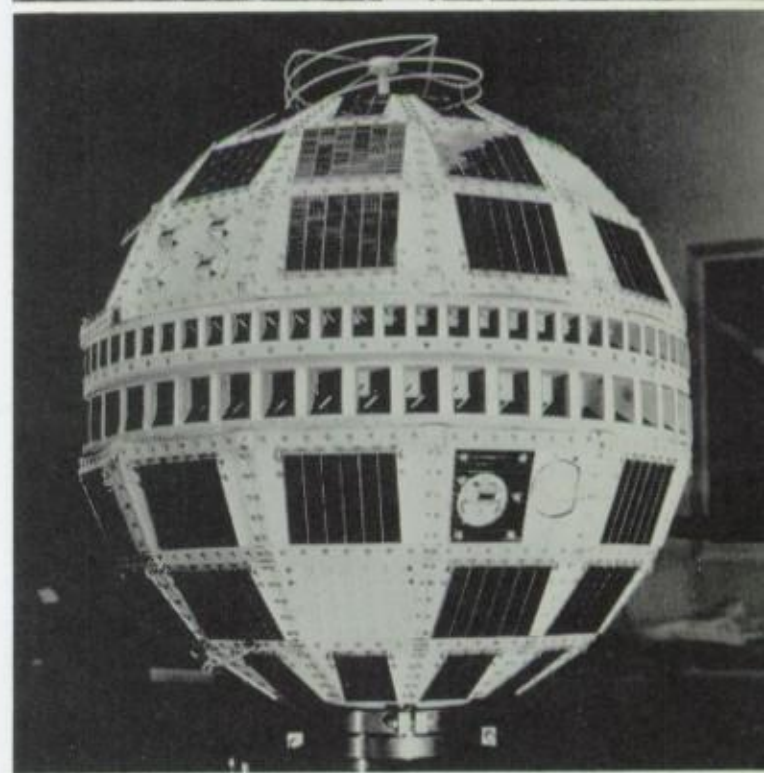

# TELLS THE WORLD . . .

Telstar is turned off and on by this tracking antenna in Andover, Maine.

The little sphere is now circling the globe, and plans are under way to send many more up. From thirty to fifty of these satellites could link together all the countries of the world. Sound fantastic? It is. But it is an actuality, an actuality that gives us cause to believe that in the future many other wonderful things will take place in the world of science.

"Telstar tells the world about the Central Dauphin Jointure"—this is the theme of the 1963 Centralian. For we realize that, as Telstar signifies one of the many changes in the world today, many changes are likewise taking place right here in our high schools. "Telstar tells the world . . ." Let's see what Telstar has to say . . .

Because microwave radio transmissions follow straight paths from tower to tower, this "tower-in-the-sky" satellite takes the place of the 475-mile-high tower that would otherwise be needed.

THE EXECUTIVE COUNCIL

Row 1 (Kneeling): D. Motter, C. Bankard, E. Jeffress, N. Knerr, D. Hartzel. Row 2: T. Shakespeare, S. Seigler, C. Dugan, D. Smith. Row 3: G. Yesser, T. Anderson, E. Weimer, D. Stauffer, D. Laughery, W. Bush.

As we leave the familiar halls of Central Dauphin, it seems impossible that our high school days are now over.

Looking back to our sophomore year, we remember our first impression of C.D. High school had come and with it added homework and congested hallways. Doug Shaffer was chosen as president of our new class. Harvey Martin, vice-president; Jane Lewis, secretary; Gloria Shuler, treasurer; and Sue Seigler, historian, supported his policies. Our first project was the successful sale of Christmas cards.

As juniors, we were faced with the financial undertaking of a prom. Bob Gaylor, president; Bill Hildebrand, vice-president; Nikki Knerr, secretary; Donna Smith, treasurer; and Sue Seigler, historian; led us up the "Stairway to the Stars." "The Boy Who Changed the World," our first dramatic attempt, proved to be both entertaining and profitable. The carnation was selected as our class flower, red and white as class colors, and "It matters not how long we live, but how" as our motto. Members of our class faced increased responsibility and success in many activities. Dorothy Hartzel was chosen by the Colonial Park Rotary Club to represent the area in Europe and Israel.

September, 1962, finally arrived. We were suddenly seniors, determined to make a distinct place for ourselves during our final year of high school. Tom Anderson was elected president of the Class of 1963. Gary Yesser, vice-president; Nikki Knerr, secretary; Donna Smith, treasurer; and Sue Seigler, historian, joined Tom as our class officers. We were keenly aware of the finality of a senior year—next year we would see old friendships severed, new ones begun, and unknown courses to be chartered. We had a first and a last to distinguish our history: the first Honors class to be graduated and the last united class of the C.D. Jointure. Class members brought honor and recognition to our class. John Berrier and Janis Loser received awards from the Harrisburg Optimist Club for science and humanitarianism. Lynda Forker was recipient of the D.A.R. Good Citizen Award. "Blue Christmas" was an enjoyable evening for all. Our class play proved to be quite successful. Senior Recognition Day gave us a chance to show "how we live." Then came May, with our class picnic, the prom presented by the junior class, and baccalaureate. The end of everything. Finally Commencement—the beginning . . .

# TO THE CLASS OF '63

We of the yearbook staff wish to thank the following for their services:

- our advisers for their willing help at all times.
- our patrons and advertisers for their support.
- Mr. Davenport of the Bell Telephone Company for the information concerning Telstar.
- Pomeroy's for the use of their display window.
- Mr. Creasey, Mr. Holbert, Mr. Baldwin, for their cooperation.
- Mr. Harvey Ensminger and Mr. Fred Hauber for the scheduling of pictures.
- C. D. East for their cooperation and contributions.
- Taylor Publishing Company, especially Mr. Lynott for his aid in putting together this book.

Dear Senior,

Well, here you are at the end of another year. But this is no ordinary year, for this—1963—is one year that you will remember above others. This is your year of graduation, signifying both the end of one life and the beginning of a new one.

As you leave the halls of Central Dauphin High for the last time as a student, I'm sure you'll remember the many good times you've enjoyed here—the classes, dances, clubs, games—and I sincerely hope every page of CENTRALIAN 1963 brings back some remembrance of C.D. How could anyone ever forget his days here, but, of course, who would want to?

You're entering a new world, Senior. Whether you'll be getting a job or going on to school, your life will be different for you. Make something of it. Strive for the unreachable and never give up hope.

Not too many years ago, the idea that satellites could create new roadways in communications would have been ridiculous. Yet it is now a reality. Take this, the theme of our book—Telstar, as an inspiration to you. Surely, if you do not someone else will take that idea and build upon it.

So go into the world, Senior, and be something. Your school has done its utmost for you—don't ever let the name of Central Dauphin down.

Best wishes for the future,

The Editor,

Jan Loser

*Wickie  
Best of luck  
in the future to  
a real nice girl  
John Berrier*

# HALL OF

Tom Anderson, president of the Class of 1963, has distinguished himself in numerous other ways during his high school career. Tom served on the Student Council for three years, winding up his term as treasurer. He has been a member of the Hi-Y for two years. Outstanding in sports as well, he represented C.D. for one year of junior varsity football and two years of varsity play. He was co-captain of football his senior year. College plans fill his future.

John Berrier was Central Dauphin's only semi-finalist in the National Merit Scholarship program. John's other senior high activities mark him as an all-round boy. He served on the Student Council and has been a member of the National Honor Society. He is a Key Club member of three years standing. John attended a pre-college science program at Bucknell. He has been a member of the cross-country team for three years and has played on the junior varsity basketball teams. Next year John will attend Bucknell University and will study chemistry.

Lynda Forker, varsity cheerleader co-captain, was selected as the D.A.R. Good Citizen because of her outstanding service to Central Dauphin. She ended three faithful years of membership on the Rambler staff by acting as feature editor. She was secretary of the J.C.C.'s, appeared in the homecoming court and in performances of the Dauphinettes. Lynda is a member of two years standing in the National Honor Society, so it can be seen that all her activity doesn't affect her grades. Lynda plans to study medical technology next year, so we wish her the best—she really deserves it.

Bill Hildebrand is probably best known as our Student Council President. Besides serving his school by being on the Council for four years, he has served his class by being Junior Class Vice-President. In sports, Bill has lettered on the varsity basketball, track, and baseball teams. In addition to his sports he is a member of the Key Club. Bill has contributed much to our school and he will be remembered for his leadership and good nature. Central Dauphin wishes good luck to an outstanding student.

Jan Loser is always busy keeping up with her many activities, but they don't stop her from being an honor student—She has been in the National Honor Society for two years. One of her interests was being Editor-in-Chief of the CENTRALIAN, a job which she filled well. Jan has been three years on the RAMBLER staff and in the Dauphinettes, served as treasurer of the J.C.C.'s this past year. The Optimist Club of Harrisburg selected her as the recipient of their annual award for Humanitarianism. Jan shows tremendous school spirit and is bound to succeed.

An active member of the Public Relations Club, Babs Peck has made morning announcements. She wrote and typed for the news publications and was on C.D.'s radio staff. She was a member of the Concert and Marching bands and the Orchestra. Babs has maintained her standing in the National Honor Society and was a Student Tutor. She was the Sec.-Treas. of the Mask and Slipper Club, played intramural basketball and was also a CENTRALIAN typist. A good student and all-around girl, Babs will surely go far.

Gail Porter, one whom everyone is sure to know, has been rated quite high at Central Dauphin. As well as being captain of the majorette corps, she took part in numerous other activities, some of which were the National Honor Society, CENTRALIAN art staff, J.C.C.'s, and Intramurals. Being scientifically-minded, Gail has been winner of science awards in the Capital City Area Science Fairs. These extracurricular activities, however, have not interfered with Gail maintaining a high scholastic average throughout her years at Central Dauphin.

# FAME 1963

The title "Miss Music of Central Dauphin" could justly be given to Nora Gavenonis. She has been an active participant in choir, Dauphinettes, and Ensemble for three years and has served on the choir executive board for the same length of time. She has acted as assistant accompanist for the choir for two years, as well as chief accompanist for the Ensemble and Dauphinettes. In her senior year, Nora was chosen as a member of the trio. Nora served as feature editor of the CENTRALIAN and has been a Rambler staff member for two years. She has been on the National Honor Society for two years.

Dorothy Hartzel has served Central Dauphin with her scholastic ability, her sense of music, and her responsibility of leadership. She represents C.D. as ambassador to Scotland, Belgium and Israel for one month this past summer. Dorothy has shown her musical ability by being in the Choir, Dauphinettes, and Ensemble Accompanist. Her scholastic ability has placed her in the National Honor Society the J.C.C.'s and the Senior Executive Council. Besides these qualities Dorothy has found enjoyment by playing volleyball and basketball in the intramural program. Dorothy has served Central Dauphin well and Central Dauphin is proud of her.

Linda Rupert is one of Central Dauphin's most active students. Linda has been an active member of the Choir and Dauphinettes and has served the School on both the Student Council and the Executive Council. Looking ahead to a teaching career, Linda has been a member of the F.T.A. for two years, and has been on the basketball team two seasons. Linda was a member of the J.C.C.'s and was elected secretary of this year's Youth Festival. As can be seen, Linda has worked hard for her school and Central Dauphin is proud to name her as one of its outstanding students.

An outstanding member of the class, Sue Seigler has participated in a number of activities other than those required by a high school course. She honored the band front as Acrobatic Majorette for two years, and she was elected to reign as our Homecoming Queen of '62. Sue is sure to recognize the changes at Central Dauphin for she has been Historian of her class for three years. In addition to these outstanding achievements, Sue has been an active member of the F.T.A., Public Relations Club, and J.C.C.'s. In her Junior year she took part in intramurals and the Class Play.

Certainly Allen Woodell needs no introduction. An active senior, he headed the RAMBLER this year, and did an excellent job. He was also chairman of "Central Dauphin Speaks," a member of the Newspaper and Radio Staff of the Public Relations Club. He worked on the Senior Section of the CENTRALIAN staff, too. Allen was on the track team for two years, as well as being on the cross country team for three years, serving as captain this year. He participated in Key Club, Hi-Y, and the Senior Executive Council.

One of Central Dauphin's more active and popular guys, Gary Yesser has served well in the office of Senior Class Vice-President. He has also been on the Executive Councils for three years, and is very interested in the Public Relations Club. He has hosted our radio program, "Central Dauphin Speaks," and has been heard frequently giving the morning announcements. But all this activity doesn't slow Gary down. He has been two years on the Youth Festival Committee, and somehow he has still found time for our CENTRALIAN. Gary's sure to do well in college, and we wish him luck.

## JUNIORS

ONE SEPTEMBER DAY IN '62, the Class of 1965 entered the doors of Central Dauphin High School as Sophomores. These students composed the largest Sophomore Class to date.

The class began the year by contributing a float to the Homecoming Procession. The float was centered around the theme "Moonlight and Roses." The members of the class donated money for the materials and many of them, under the supervision of the Executive Council, helped in the construction of the float.

The officers were elected after an enthusiastic campaign and speeches by the various candidates. The following officers were selected: President, Tom Miller; Vice-President, Marcia Forker; Secretary, Joan Eisenberg; Treasurer, Barbara Smith; and Historian, Pat Hildebrand. The Class Advisor, Mr. Kreamer, was certainly a great help to the Sophomore Class.

The Class was very enthusiastic in sponsoring several dances, selling Christmas wrappings and various other items, in order to raise money for its treasury.

As the year draws to a close, they look forward to returning to C.D. as Juniors.

ON THAT SAME SEPTEMBER DAY, the Juniors found that the class of '64 was split. It was hard getting accustomed to a new school again, but soon they began feeling quite at home. The first class project was the election of officers. Those elected were: President, Craig Stone; Vice-President, David Fleig; Secretary, Elaine Kelly; Treasurer, Cara Sue Bogar; and Historian, Ellen Nelson. The class advisor was Mr. Donald Smithers.

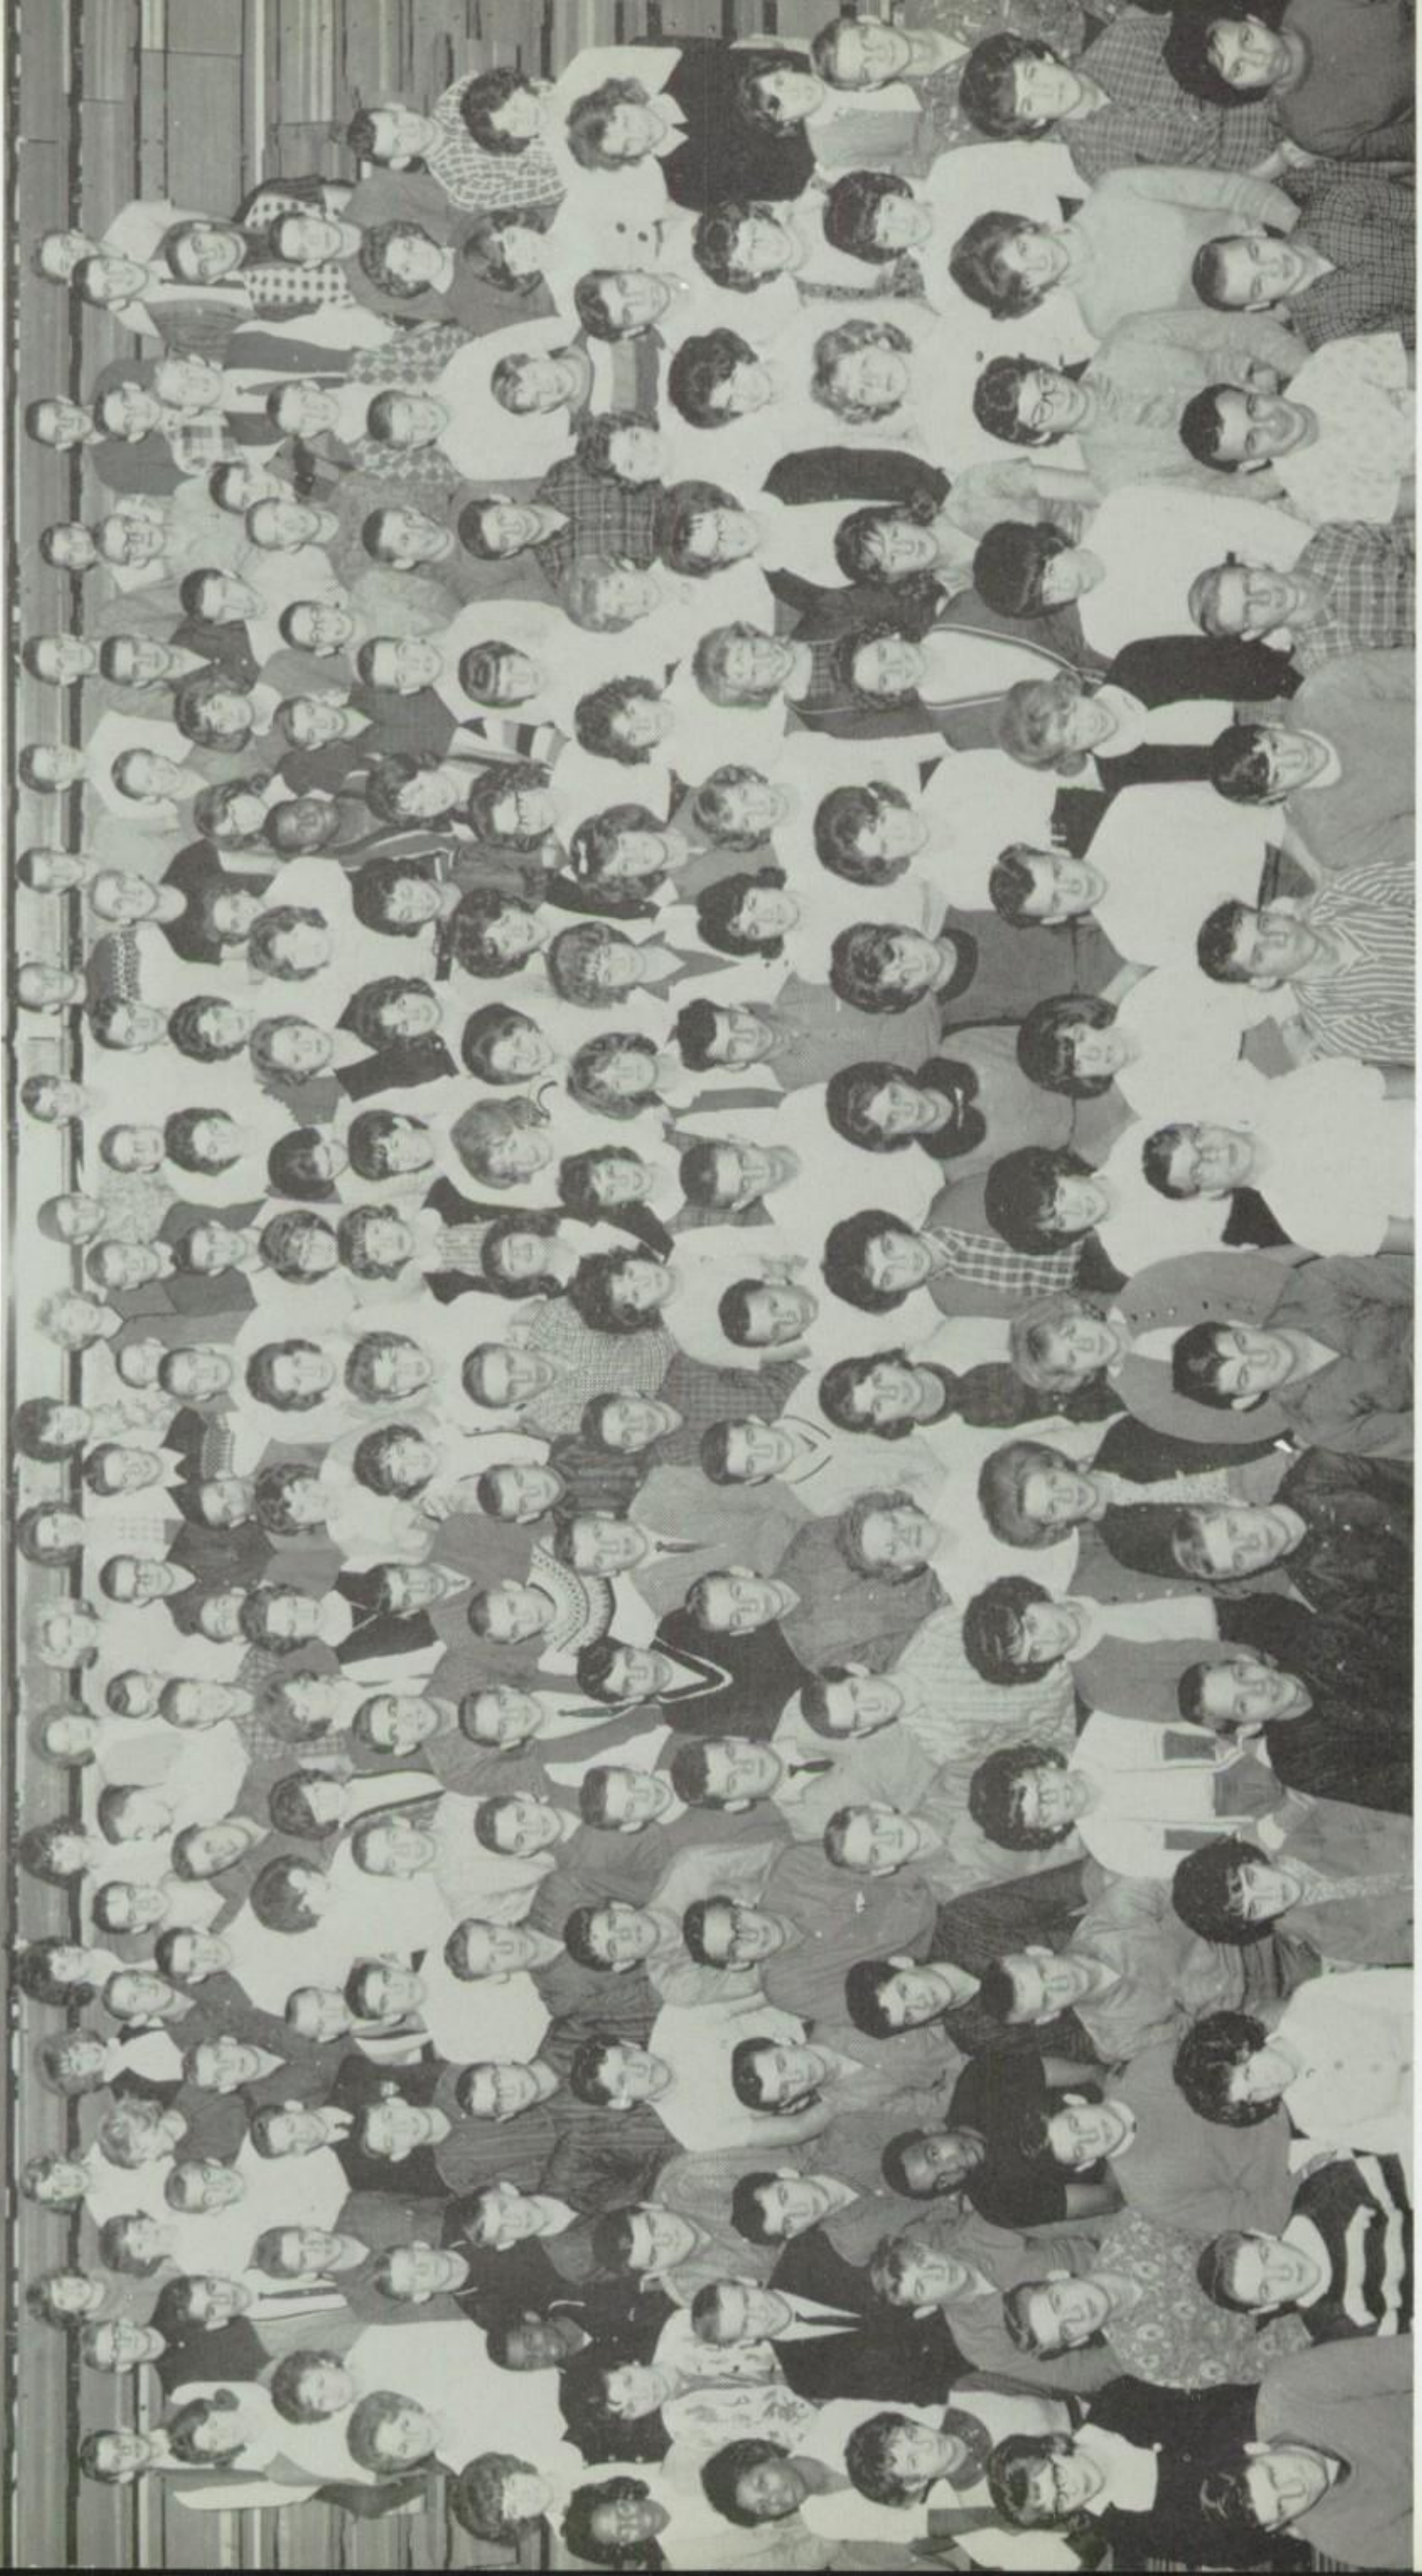

In November they held the Junior Class Play, "Dear Delinquent." The year was ended with the Junior-Senior Prom at the Starlight Ballroom in Hershey. It was a beautiful and fun-filled evening for all who attended.

As the year 1963-64 comes around they will return to the hallowed halls of Central Dauphin to reign as Seniors and lead the way for underclassmen.

# OF THE UNDERCLASSMEN

## CENTRAL DAUPHIN EAST

Classes. Football games. Dances. Cheers. Wins. Music. Defeats. Assemblies. Panther. Spirit. 100-yard long signs. Laughter. Basketball games. Taped ankles. Broken fingers. Grades. Teachers. Pictures. Pep rallies. Honor roll. These events and many more have orbited East High School into its contributions to Central Dauphin Joint Schools.

The initial dance of the year was the Panther Pounce, held in honor of our dauntless football team. The highlight of the joyous Christmas season was the Holiday Festival sponsored by the Student Council. This was our first semi-formal dance. The dance was well attended and everyone had a pleasant evening. A pleasant evening of glamorous dresses and sixty beautiful girls was enjoyed by a large audience of family and friends as the Junior Civic Club presented Fashion Frolic.

From among the many energetic students at East, two members of the junior class were outstanding participants in the annual Youth Festival. Judy Rutherford was Pal Princess, while her escort, Carl Chronister, served as vice-chairman of the planning committee.

District Chorus was held at Manchester, Pa., with Jeff Knight, Steve Cropper, and Mike Schwalm representing East. Cumberland Valley High School was the site of District Band at which Mike Schwalm, Janice Kraiser, and Jeff Knight were representatives.

The annual sophomore tea provided an excellent opportunity for parents, teachers, and students to become better acquainted.

East's spirit was a major step in the development of East High School's athletic reputation. From the first moment of victory until any moment of defeat, the students of East were behind their teams. East has completed its first scholastic year as a full-fledged high school. The students have contributed much—their and East's future is bright.

## MAY DAY — 1962

Girls of the National Honor Society annually form the May Day Honor Court. The girls, who were each given nosegays, await the entrance of the Queen.

Miss Carasue Bogar, sophomore attendant, passes through the Honor Court and is met by Tim Fleegal, also an Honor Society member.

Miss Jill Spohn, Queen of the May.

May Day was held on Friday, May 11. A busy week of planning the show, voting for a queen and attendants, and practicing preceded the beautiful event. Most of the preliminary work was supervised by Mrs. Krolak, Mrs. Holt, and Mr. Creasey, although many other faculty members graciously assisted.

The Queen and her attendants look forward to the entertainment presented in their honor.

Our May Queen Jill Spohn, who wore a white gown and carried long-stemmed red roses, was attended by Maria Wood and Judy Chronister, seniors, wearing yellow, Linda Rupert and Donna Smith, juniors, decked in green, and Carasue Bogar and Elaine Kelly, sophomores from Central Dauphin East, wearing pink gowns. They were escorted by male members of the National Honor Society. Andy Zimmerman assumed the privilege of escorting the charming queen.

Queen Jill bestows a royal smile upon her subjects after having been crowned by Miss Cheryl Livingston, 1961 senior attendant.

Summer wasn't long enough. It was that time of year again—banging lockers, chalk dust, ringing bells, "scents" from the chemistry lab—all together they mean SCHOOL'S IN. So begins another wonderful, terrible, year. The first few days weren't bad—getting books and meeting friends again. September 7: PEP RALLY! FOOTBALL AT CEDAR CLIFF!! VICTORY!!! September 8: CDE and Lebanon—we won that game too!! What a way to initiate the athletic year!

Here comes the parade! Speeches! Bands! What was it? Eleventh and twelfth class elections on the 27th.

And then it was October. On the 3rd and 4th we ordered one of our lasting reminders of high school, our rings. There was a state Student Council Convention in the fair city of Monioeville on the weekend of the 4th and 5th and 6th. Our school was naturally well represented.

The cheering section is livid with excitement at the Steelton football game.

After Central Dauphin East's opening game—and victory!—the football used in that game was retired by Coach Finkleston, Dave Alexander, and Mr. Holbert.

A dance after the Central Dauphin East football game.

## BONFIRE

On the crisp evening of the 5th of October, the cheerleaders, band-front, and band members gave us an exciting half-hour pep rally in honor of the following day's Homecoming game. Throngs of enthusiastic Central Dauphin students turned out to watch the immense flames light up the sky.

The cheerleaders light the carefully heaped pile of paper, cardboard, and wood.

At the top a football player from Susquehanna blazes in effigy.

Bonnie Souders cheers while the bonfire burns at its height.

# CALENDAR OF HOMECOMING

It took days to build the four Homecoming floats, to say nothing of the weeks of making roses.

The cheerleaders are welcoming parents of our students.

Our radiant Homecoming Queen, Miss Susan Seigler.

Friday the 5th of October was the best Homecoming in many a year. With our own queen of queens Sue Seigler riding high on the "Hearts and Flowers" float, it is no wonder that the attendance was so large that we didn't get to see most of the game. Sue was crowned by Jill Spohn in the absence of last year's queen Donna Eberly.

Remember District Chorus tryouts in Waynesboro on the 13th of October? On the 19th and 20th Mrs. Huntingdon, our year-book advisor, Jan Loser, editor-in-chief, Nora Ann Gavenonis, and Diane Weist represented the Centralian at the Columbia Press Association Conference in New York City. What band member will ever forget the trip to Bucknell on the 20th? College Night was a huge success on the 30th. Let's see, will it be Yale or Harvard?

## JUNIOR CLASS PLAY

Another month slipped by and it was November already. Everyone remembers those two days of achievement tests on the 5th and 6th. Some were even pleased with the results!

Did your girl fall in love with one of the gowns at the JCC Fashion Show? What, she settled for a Coke at the Cottage? Quick thinking, fellows! The Food Prep Club took their yearly trip to New York on the 12th. Two big events took place on the 15th: the Choir's Dime-a-Dip Dinner at CD and the Director-Teacher Dinner at CDE.

And then on the next evening, November 16, we enjoyed the Junior class stage production

## YOUTH FESTIVAL

Miss Central Dauphin East, Judy Rutherford.

Miss Central Dauphin, Bonnie Souders.

Souders, represented CD and CDE at the 1962 Youth Festival. Judy is a junior and Bonnie is a senior. They were chosen on basis of good character and sparkling personality. The girls' escorts were Carl Chronister and George Killinger. They were presented to our schools during the Joint Jump, a dance supported by both schools.

The Youth Festival is an annual semiformal dance sponsored by the Harrisburg Evening News and the Exchange Club of Harrisburg. The proceeds went to the Harrisburg Police Athletic League. All of our area high schools were represented by a Teen Princess and escort. We danced to the music of Billy Butterfield.

Look, we can sing! La-la-la-la. Oh well, maybe not as well as those choir kids who sang at the Thanksgiving assembly. Remember the trio and Grandma? "Over the river and through the woods . . . "La-la-la. No, we guess not.

Ronda Nicholson, Central Dauphins's winner, remembers the Betty Crocker Home Ec. test on December 4th. Was it hard? Too bad all of us couldn't have won awards at our first awards assembly on the 7th.

Mr. Leroy and Linda Hock hold the silver bowl she won in the Public Speaking Contest.

We bet that District Band hopefuls were thinking about the next day's tryouts in Hershey.

"And into this world of darkness" . . . continued C.D. East's Linda Hock as she stood on the stage at Edison High School giving her "Christmas Around the World" speech. Linda spent approximately four long, hard, weeks on her speech. She feels that she wouldn't have gone as far as she did if it weren't for the generous help of her Public Speaking teacher, Mr. LeRoy.

She received a silver bowl presented by the Patriot News Toastmasters Club, and a \$100 Savings Bond presented by the Downtown Harrisburg Association.

La-la-la . . . We still can't sing. But those people in the Choir still can. That was a terrific Christmas Concert on the 17th.

One, two, three, four, back, left, one, two . . . Some of us had to brush up on our dancing for the Senior Christmas Dance. The theme was "Blue Christmas." There was even a blue tree!

Looking just as lovely as the Queen were the attendants, Ellen Nelson and Marcia Forker escorted by Bill Hildebrand and Eddie Antolick.

The Central Dauphin East Choir Department is under the direction of Mr. H. William Nixon. Although there is a sophomore choir at East during the 1961-62 term, much of the work done by it is in combination with the Central Dauphin Choir. During the year the choir's busy agenda included a concert for the school board, a P.T.A. concert, a Spring Concert, several other concerts, and a combined concert with Central Dauphin in the Talent Show.

The fifty-six voice choir received numerous comments on the huge improvements shown in such a short time.

Another choral group is a special girls' chorus called the Eastettes. This group performs with the chorus and on other special occasions.

# DEPARTMENT

Mrs. Irene R. Christman, the untiring director of Central Dauphin's Choral Department, this year has led her singing groups and soloists to outstanding achievements. The individual units responsible for this success are the 115 voice Central Dauphin Choir, and the smaller girls' chorus and boys' chorus and ensembles.

The members of these groups practice and rehearse diligently for many hours during the school year in preparation for the many events for which they are requested to sing, to say nothing of the time spent in actual production and performance. Scheduled rehearsals are held every morning, every seventh period, and many times after school. Additional private rehearsals go on whenever the other groups are free.

By means of all this expended energy and time, the members of the Choral Department learn the art of showmanship. While developing talent, in singing and accompanying, these students gain the unequalled experience of displaying their vocal skills before others in the various concerts, festivals, and requested performances held each year.

# INSTRUMENTAL

The green-and-white band of Central Dauphin has given us a year of varied musical performances under the direction of Mr. Whitman M. Gingrich.

The band's season began when they successfully presented half-time shows at all C.D. football games. On October 15, the Concert Band performed for the Teachers' Institute at the Mosque. Later in October, the band went to Bucknell University for their annual homecoming game. There, they were awarded the first place trophy for the fourth year in a row. The band marched in the Hummelstown Halloween Parade on the 22nd of October; and on the 30th of that month, they played at College Night which was held at Central Dauphin.

The Eastern Division of the Music Educators' Association held their bi-annual conference from March 1-4, in Atlantic City. There, Eddie Antolick represented Central Dauphin in the All-Eastern High School Band.

Some of the band members tried out for District Band in December, and those who placed highly had the invaluable opportunity to attend this affair at Cumberland Valley, on March 7, 8, and 9.

In this year's book, Telstar tells the world about Central Dauphin and Central Dauphin East, but it wasn't all done by the work of Telstar. The combined efforts of the three CENTRALIAN staffs played a major role in helping Telstar to complete this volume of the CENTRALIAN.

The editorial staff, directed by Mrs. Lee Huntingdon, has the responsibility of collecting, organizing, and editing pictures, copy, and all other material for the book.

The business staff, managed by Mrs. Thelma Seip, obtains the advertisements, subscriptions, and patronage used to finance the publication of the CENTRALIAN.

The art staff, advised by Mr. Paul Zeigenfus, draws all art work appearing in the volume, and is also responsible for designing the cover of our book. Mrs. Marilyn Bonzo advised work at Central Dauphin East.

Our award-winning newspaper, The Rambler, is issued six times during the school year. Personality sketches, news of current sports events, and articles of lasting interest are features which made the Rambler popular.

The very efficient Business staff works throughout the year securing advertisements for the Rambler. Few people realize the importance of the Business staff and the work it does in producing a truly fine school newspaper.

But the biggest factor in the publishing of a newspaper is the cooperation of the combined staffs, the reporters, the copy readers, and, of course, the editors.

The news staff headed by Joyce Reichley writes news articles of events at Central Dauphin for the *Sunday Patriot News*.

The art staff under the direction of Sue VanZant maintains an up-to-date scrapbook of C.D. news events and a directory which lists upcoming events. News articles concerning our students, faculty, and alumni are posted on an eye-catching bulletin board arrangement.

Co-chairmen of the radio staff are Allen Woodell and Gary Yesser. This staff conducts Central Dauphin's own weekly fifteen minute program on W.K.B.O. and represents Central Dauphin on other weekly broadcasts on various local stations. They also present the morning announcements on WCD.

Joyce Smith, President, and other club officers of Central Dauphin's F.N.A. conduct the formal initiation of members of the F.N.A. and travel to other high schools throughout Pennsylvania as representatives of Central Dauphin.

# OF AMERICA

The Future Nurses Club of Central Dauphin East was formed with the beginning of the fall term of the 1962-63 year.

This club intends to create an atmosphere in which students interested in any health field would be exposed to further information in these various fields.

The membership numbered approximately fifty-five. Of these fifty-five members, seven were chosen to be on the executive committee, four of whom acted as officers of the club: These officers were: President, Jo Ann Dzink; Vice-president, Lynda McElhany; Secretary, Sue Swartz; Treasurer, Sue Megonell.

Although this club has been in operation only for this past school term, with Mrs. Tittle, the school nurse and our advisor, the foundation has been laid for the club to automatically function with each successive school term. The new officers were installed this past spring, and new members will be added in the fall from the junior class. In the forthcoming year the club plans will include an initiation ceremony for new members and a fund-raising campaign to support a trip to either medical institutions or hospitals and to pay for the purchasing of pins for the senior members.

The officers of the Future Nurses club at CD East are seen with their latest guest speaker, Mrs. Tittle; Sandy Markunas, program committee; Mrs. Emerich, guest lecturer on anesthesiology; JoAnn Dzink, president; Sue Megonell, treasurer; and Gretchen Emerich, constitution committee.

Representing one of the more unique activities of the school are the students who share in the development of Central Dauphin's own literary arts magazine, "The Spectrum."

Initiating its fourth year of publication, it provides a place to display the noteworthy literary talent that ordinarily would not be reconized. It is compiled and edited by a staff of capable and interested students selected the creative writing classes of the school. Consideration is also given, however, to other interested students. Any literary work that has received recognition outside the school in competition is reproduced in this magazine.

Editor Bill Rasin and co-editor Russel Neff examine a new literary work and last year's Spectrum.

Now in its second successful year, the French Club of East has done much to further the appreciation of its members for the cultural life of the French people. To carry out this purpose, the club has had meetings on the art, music, and customs of France. The club also tries to increase the conversational skill of its members by inviting native Frenchmen to the meetings to converse with the students. The club is not all learning however. It also has a social program. The highlights this year were a Christmas party, a French dinner, and an outdoor picnic.

The club owes a large part of its success to its advisor, Mrs. Sowers, and the officers: pres., Sylvia DeWolfe; vice-pres., Barry Seace; treas., Chris Stickl; and sec., Candy Smeltzer. The hope of the members of the French Club is to make a trip to Quebec next year. With this goal in mind, the members are working hard to get the most from their club.

The club also sponsored a dance, the proceeds being used to help finance the various trips of the club.

The A.V. Club is already planning its activities for next year in hopes of making much progress and growth.

The stage crew does many of the chores for a number of things at East. All the lighting for the productions is handled by this group. The sets are put in place and the stage is well-kept and clean, thanks to these boys. These are only a few of their many jobs.

Mr. Reda, the capable advisor, is proud of his boys, and has been confident that during the 1962-'63 school term, the stage crew will be able to handle all tasks assigned to them.

The 1962 Rams completed their fifth consecutive winning season with a 9-1 record. The Rams have now lost only five games out of their last fifty.

In the opener against Cedar Cliff, the Rams overpowered the Colts 21-7. Featured in this game were Bob Megonnell and Terry Shakespeare, who each scored decisive touchdowns. The Rams then traveled to Lebanon where they posted a 58-6 victory. This was an outstanding team effort where many individual players participated.

The following week, the Rams traveled to Bishop McDevitt where they posted a 19-6 victory. The Saturday afternoon, September 29th, will be remembered by many Rams fans. That was the day we lost a heart-breaker to Steelton-Highspire 6-7. The players provided a great team effort that day and nearly succeeded in pulling it out.

In their first home appearance, the Rams had an easy night in walloping the Susquehanna Indians by a score of 74-0. This was a great game in which nearly all of the players distinguished themselves. However, during this game, our kicking specialist and star guard, Mike Dowhower, suffered a chipped ankle.

In our next home game against Carlisle, the Rams posted a 6-0 victory on some spectacular playing of the whole line and of quarterback Dave Kelly. The following week the Rams overwhelmed the Tigers of William Penn 25-7. The Rams then entertained York, whom they beat 12-0. This game was sparked by the playing of Dave Kelly and Terry Shakespeare.

The following week the Rams journeyed to Middletown where they outscored Middletown 35-0. Starring in this game were halfback Don Pettis, center and middle linebacker Allie Harper, and fullback Dave Corneal. The Rams entertained rival Central Dauphin East on a rainy and very muddy field. The final score was 27-0, thus finishing with a nine and one record.

The Central Dauphin junior varsity football team started slowly, but was unbeaten in the last five games to finish with a 4-2-1 record. The slow start was due to inexperience since the squad was composed mainly of sophomores. However, team effort and good coaching by Mr. Keller and Mr. Steinmier combined to produce a successful season. Some of the outstanding players were: linemen, Bob and Bill Pettis, and Carl Hoffman; backs, Tom Sharrar, Ron Curtis, and Don Hodge. This talent will be used to plug the holes in the varsity left by graduation.

Row 4: Coach Tate, J. Cootes, D. Fortenbaugh, T. Shambaugh, R. Jones, J. Goldsmith, R. Hobbs, R. Shirk, Coach Pae, Coach Finkleston, M. Harlan.

Under the direction of Coach Harry Finkleston, the black and white Panthers of Central Dauphin East finished their first varsity football season with a 1-7-1 record. The student body offered the team a great deal of support which helped the Panthers keep up their spirit throughout the year. The initial game of the season saw the team victorious over Lebanon, by a score of 7-6. After the touchdown scored by Bill Brown, Ron Jones kicked the extra point which brought East their lone victory of the year. Next, the Panthers attempted to knock down the Steel-High Steamrollers, but with a lack of experience and no great size, they failed to a count of

42-6. Ed Berrier was the Panther who scored this lone tally. The team then ventured to Milton Hershey, but again they met difficulty, and they were knocked down by a 36-12 score. Once again, Ed Berrier was in the scoring column, along with Herb Nauss. Still fighting, the Panthers returned to Hershey Stadium to meet with Lower Dauphin. A stronger Lower Dauphin team defeated East, 25-12. East next attempted to dig out the Cornwall Miners, but in the last quarter, the Miners succeeded in achieving a 13-13 tie. Mike Peace and Denny Noll accounted for the points in this game. Bishop McDevitt proved to be too powerful for the fighting Panthers

and defeated them by a 41-0 score. Hershey and Carlisle also were too mighty for the underclass Panthers, with a 27-0 victory for the Trojans, and a 39-0 win for the Thundering Herd of Carlisle. The dauntless 1962 Panthers ended the season in a contest with the Rams of Central Dauphin. The rain-soaked field proved to be a handicap for both teams, but the Rams came out on top by a score of 27-0.

Although our first football season was not entirely victorious, Coaches Finkleston, Pae, and Tate, along with the faculty of East, are proud of the Panthers and are looking forward to next year.

Although the 1962 girls' field hockey team did not compile an outstanding record, their coach, Mrs. Kay LaBrie, felt that they had great enthusiasm and showed very fine sportsmanship.

The varsity ended their season with a 2-3-4 record, and the junior varsity, 0-4-5.

It was a long season of many ups and downs, but the girls continued to have good team spirit. With qualities such as those of the varsity, our girls will continue to be second to none.

The Central Dauphin East Girls' Hockey Team opened its season of interscholastic competition this fall under the direction of Miss Schwaderer. This was her first experience with coaching hockey as well as the first season of varsity league competition for the entire squad. Twelve of the girls attended Elizabethtown Camp during the summer where they learned the fundamentals of the sport.

Led by co-captains, Carol Erb and JoAnn Dzink, the team continually fought but was unable to defeat its opponents. Although their record was not outstanding, the girls gained valuable experience which will benefit them in future years.

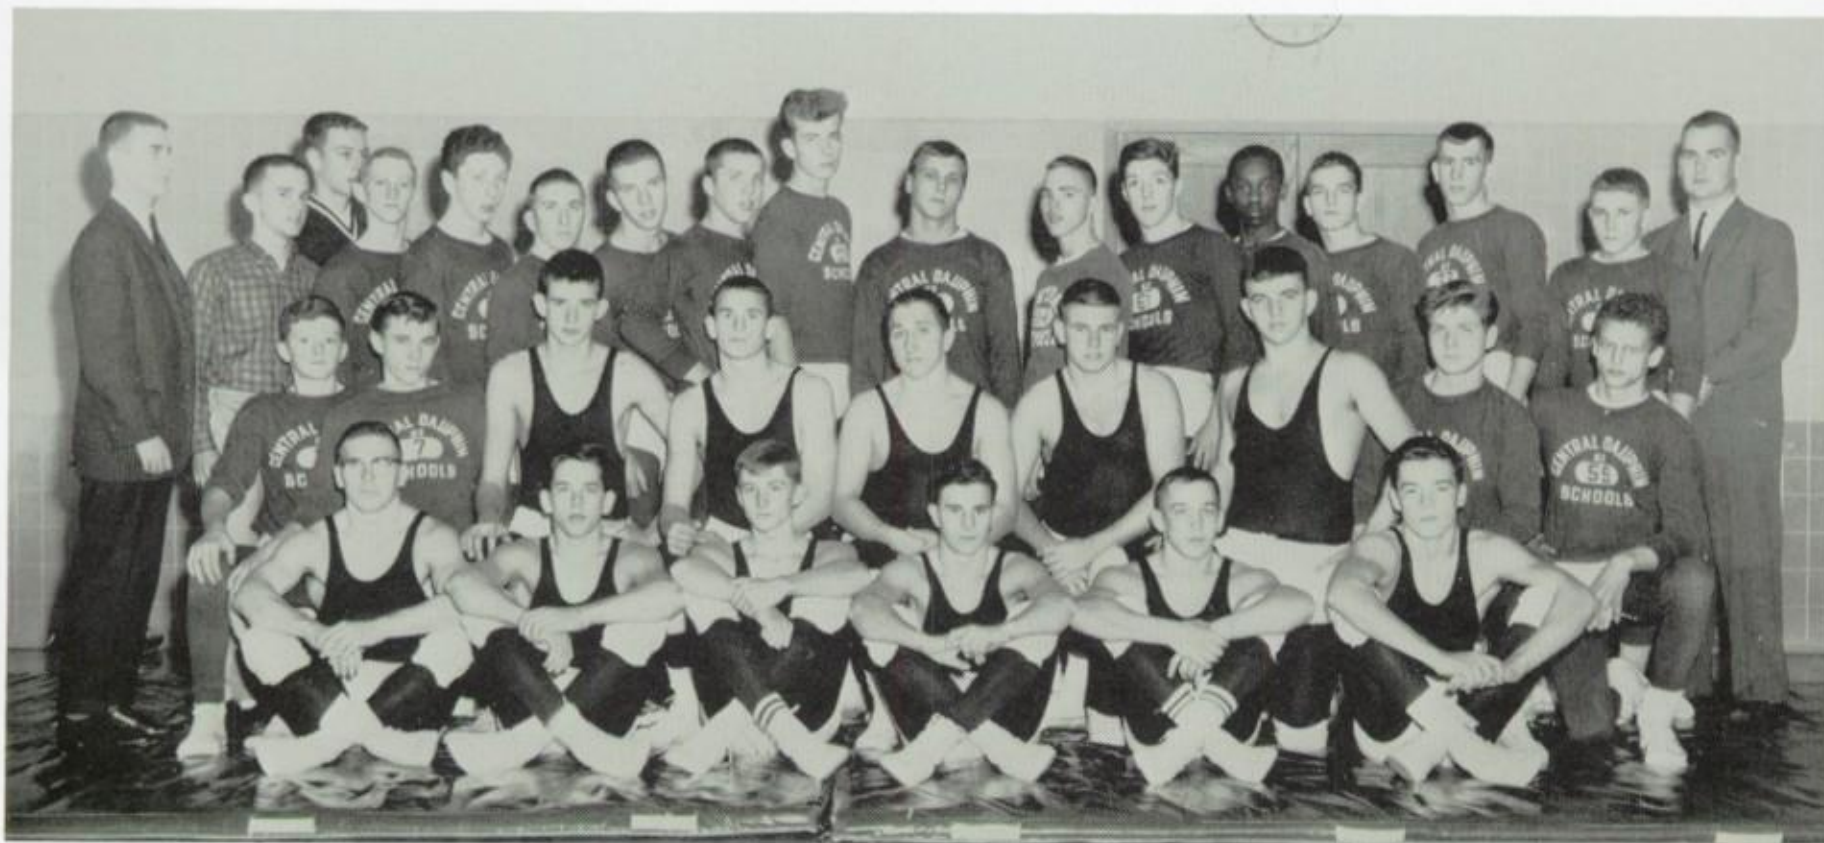

The J.V. team captained by Sue Swartz and Mary Ann Kessler, defeated Cumberland Valley and tied with Central Dauphin to end the season with a 1-1-6 record.

C.D.E. began its wrestling career with a very successful season under coach Jack Lawhead. The Panther squad compiled a 5 and 3 record, losing only to Hershey, Cumberland Valley, and Susquehanna. The non-varsity squad made a very good performance at YMCA Novice Tournament by placing third in team score. Gaining first places in the Tournament from East were Bill Diehl at 103 lbs. and Larry Bortner at 145 lbs. Men placing second from East were Bob Snyder at 133 lbs. and Marty Gruver at 138 lbs.

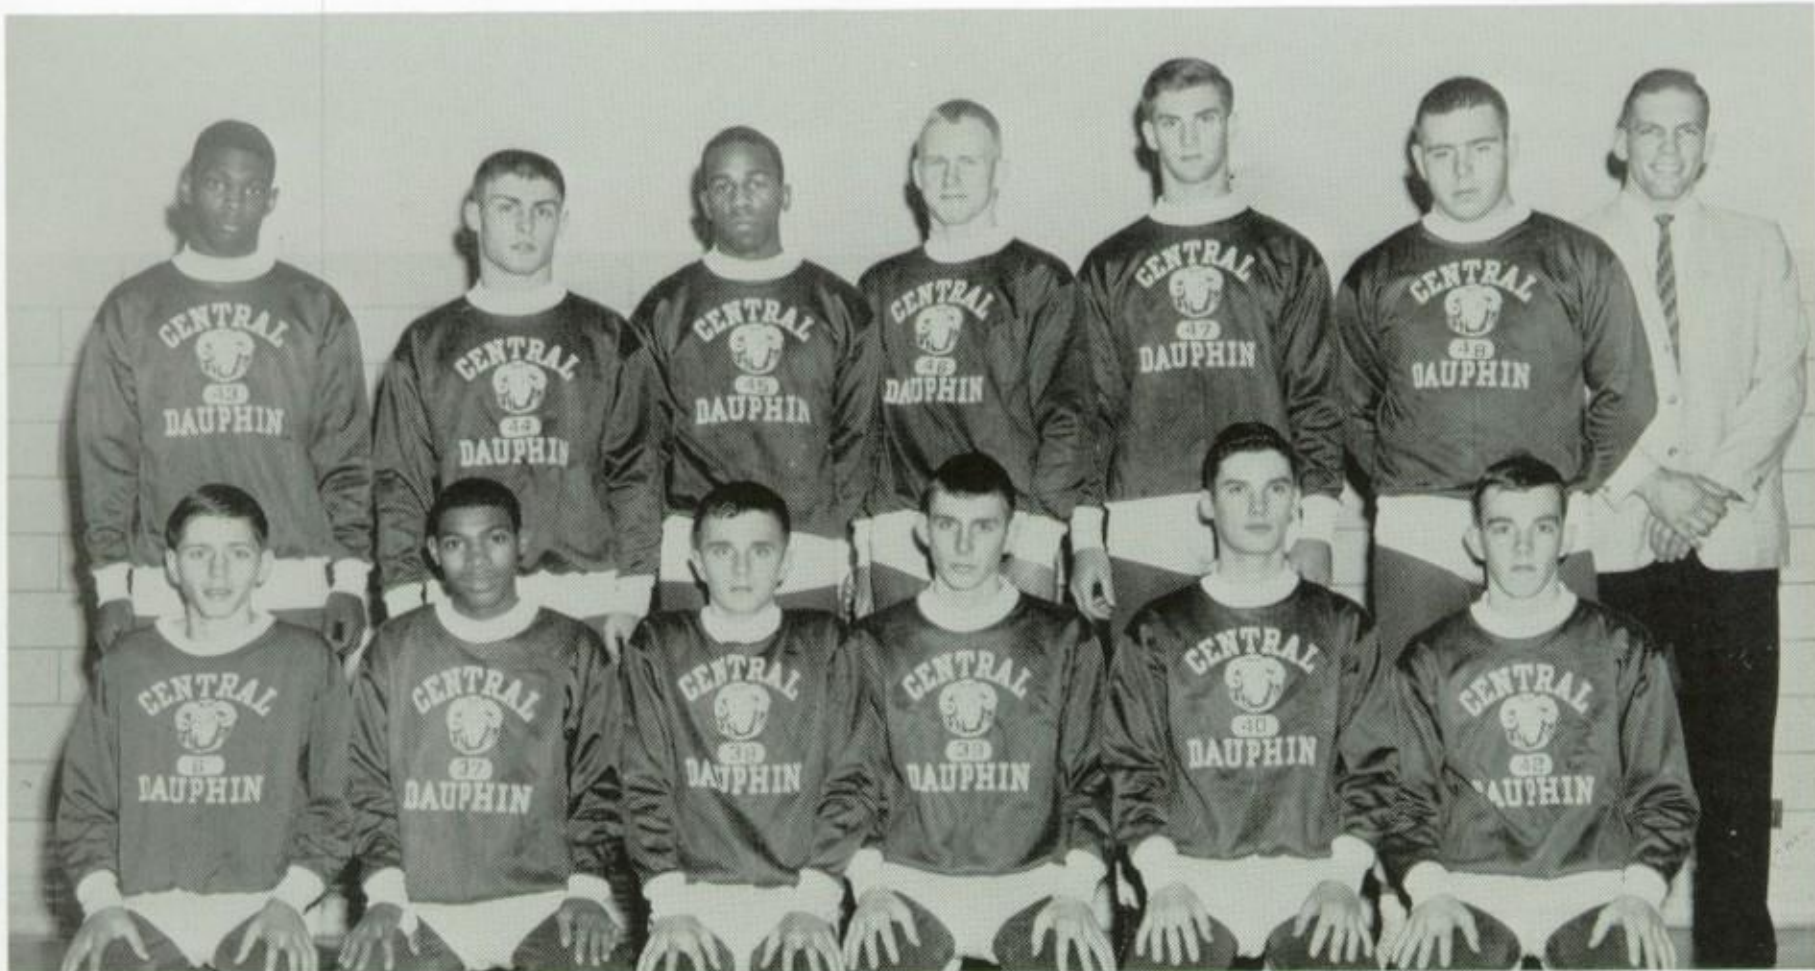

The Panther squad was hampered by lack of varsity wrestlers and experience. However, C.D.E. is looking forward to becoming one of the area wrestling powers.

Wrestling, a growing winter sport, produced for Central Dauphin a senior-laden squad destined to perform creditably in the Harrisburg Area Conference.

Coach Kreamer, in his third year as varsity coach, presented a twelve-member team co-captained by Vyn Redden and Tom Harry. George Eckroat, unlimited; Mike Dowhower, 145 and 154; and Vyn Redden, 120; were particularly cited for outstanding performance. Besides regular league competition, wrestlers competed in sectionals in February and regionals in March.

The junior varsity team, coached by Mr. Doyle, wrestled before varsity matches to gain experience in competition. Next year's varsity squad will be filled with many of the present junior varsity team.

# VARSITY BASKETBALL

The Panthers, coached by Donald Murphy, did not have a very successful first season in the victory column, but the entire team gained valuable experience. Among the outstanding players were Kim Frankford and Bill Hammell, both boys being high in rebounding and scoring. Fred Hoover and Larry Ferguson were also frequent rebounders.

Since all the boys gained varsity experience this year for the first time, they are looking forward eagerly to more victorious years.

Ferguson's up for two!

The Central Dauphin basketball team opened the 1962-1963 season by defeating neighborhood rival Susquehanna 40-29. Then the Rams lost a heartbreaking 44-40 decision to Bishop McDevitt on the Crusader's home court. The Rams rebounded, defeating Middletown 56-46 and winning their Central Penn league opener from John Harris 56-44. Following this victory, the Rams went into a tailspin and suffered through a five game losing streak before defeating Steel-High 53-41. In the second half of league play, the hustling Rams were spoilers for the league leaders. Team leaders included Bill Hildebrand, Don Pettis, Jerry Hocker, George Killinger and Frank Hare.

GIRLS' BASKETBALL—VARSITY—Row 1: N. Knerr, M. P. Smith, J. Hartman (capt.), G. Looker, J. Lewis, L. Rupert, L. Krolak. Row 2: S. Emminger, R. Nicholson, G. Lebo, S. Snyder, K. Steimling, C. Hill, B. Stocker, P. Kline, C. Zook, G. Shuler, D. Johnson.

Under Coach Louise Krolak, the Central Dauphin girls' varsity squad had a very exciting season. Although not undefeated, they showed exceptional skill, speed, and sportsmanship.

This year, radical rule changes have given girls' basketball much of the speed and excitement previously found only in boys' games.

The starting line-up included Jo Hartman, Jane Lewis, and Maripat Smith, forwards; with Nikki Knerr, Linda Rupert, and Julia Looker as defensive players. These girls represented Central Dauphin in fifteen league games.

The junior varsity Panthers of East were coached by Mr. Donald Thorn. The team compensated for its lack of experience with hard work and determination.

The Central Dauphin East Girls' Junior Varsity Basketball Team was composed of all sophomores. The co-captains of the team were Cathy Brindle and Jan Lauver, and the coach was Mrs. Johnson. The team fought with high spirits throughout the season, and was able to capture a few victories.

The Central Dauphin East girls' basketball team was inexperienced, but improved as the season progressed. They found the league competition rough, but they never stopped fighting. They suffered their first defeat on the Mechanicsburg court, and their second at Susquehanna. In their third game, which was against Cumberland Valley, they came back to life, and seemed as though they were going to go all the way to victory. They enjoyed a several points margin until the middle of the fourth period, when the Eagles came from behind to win the game.

The team was coached by Miss Schwaderer, and the co-captains were Carol Erb and Sue Forker.

# FOOTBALL'S FINEST

A tribute to the members of our 1962 Football team who gained the special honor of being nominated to the Pennsylvania Big 33. The following boys: Robert Megonnell, Allie Harper, Warren Smith, and Mike Dowhower were chosen for this honor.

Bob Megonnell, who excelled at the end spot, and Warren Smith, an elusive halfback, both were nominated to the Big 33 Checklist. Center Allie Harper, and guard Mike Dowhower were named to the Honor Roll. Although none of the boys were appointed to the first team, their outstanding achievements on the gridiron proved to be a credit to Central Dauphin and to themselves.

What an encouraging sight the cheerleaders were this past year at East! In order to build school spirit, they appeared at athletic events, organized pep rallies and a bonfire, and developed new cheers. Each of the girls is a member of the School Spirit Club. Much of the credit for their successful showing goes to their coach, Miss Schwaderer, who did a very fine job.

# IN REVIEW

3-4. C.D.E. girls also played a highly competitive game.

Of the winter sports, the "sister schools" did best in wrestling. The Ram grapplers finished high in the first division of the Harrisburg Area League, and East, wrestling independently, finished above the .500 mark. In basketball neither school did exceptionally well in the tough Central Penn circuit, although Central Dauphin managed to hold their own in league competition. The Central Dauphin Girls' Basketball team stayed near the top in their league, in some exciting contests. The Central Dauphin East girls showed their potential with improved play near the end of the season.

Yes, this was truly a memorable term—a term of changes and promises in our school sports. The Central Dauphin Joint Schools once again showed their good sportsmanship.

The struggle between those who would defend fundamental human rights and those who would destroy them for the sake of gaining their own selfish end is as old as time.

You are about to leave Central Dauphin High School to go your separate ways, and our hope would be that you emerge from this relatively sheltered existence to become active participants in the struggle to protect human rights against encroachment as dedicated citizens of this great nation.

Among other things, we have directed your study of the day before yesterday, in order that yesterday may not paralyze today, and that today may not cloud your vision of tomorrow. May your personal vision of tomorrow justify and vindicate the promises of democracy.

### BE A PART

Eight years have passed, and history has been recorded at Central Dauphin High School. I am pleased and proud to have had a small part in its making.

LOYALTY — CITIZENSHIP — terms often used at Central Dauphin imply faithfulness and service. The diligence and faithfulness with which our daily chores are performed in our school, our home, or our community are the real test of citizenship.

To be a good citizen in our society, one must engage in many activities not only for personal gain, but also for service to others. One must be proud of his accomplishments when the task is completed in order to be a good citizen.

The individual who is loyal to himself and who follows good rules of conduct will not break the rules and regulations in society. He will endeavor to help others live by these same high standards that he has set for himself.

Our school, a small part of society, wants its students to be intelligent enough to realize that loyalty and respect is due to those who serve them.

Seniors, if you have learned the meaning of loyalty to society, to your school, and to your country, we are proud to have had you at Central Dauphin.

*Oscar B. Baldwin*

Hitch your wagon to a star. Let us not fag in paltry works which serve our pot and bag alone. Let us not lie and steal. No god will help. We shall find all their teams going the other way: every god will leave us. Work rather for those interests which the divinities honor and promote, . . . justice, love, freedom, knowledge, utility.

Telstar was a figment of the scientist's imagination when Ralph Waldo Emerson composed this passage. The star he referred to has taken on a new meaning. With its inception our horizons have broadened and our avenues for achievement have multiplied. Listen to the message Telstar has for you and "hitch your wagon."

Students at Central Dauphin are privileged to have one of the few Food Prep. courses in this section of the nation. Students receive training in food preparation and run the a la carte line and the snack bar.

The D.E. course provides interested students education in retail, wholesale, and service fields of business. The students have actual experience which is closely co-ordinated with class work.

Special Education provides students whose abilities differ from the average with needs for everyday living, thus making them useful citizens.

## SCHOOL DAYS . . .

They cement many lasting friendships. Soon you and your classmates will take different roads, and it may be years before some of you will meet again. School days do not last forever . . . and when they are past, memories are kept warm by the photographs of friends of the classroom and campus.

Your chums should have a "personality portrait" of you, and so you will prize one of theirs in return. In a year or so you will be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the "turning-point" in your life.

This studio is the headquarters for special photographic work and the doors are open to students of the Central Dauphin High School Jointure and their friends.

Why not arrange to come to the studio now and have that photograph taken?

Vicki  
so a real  
real good  
friend. Never  
forget all the fun we  
had and the trouble we  
always got into. (probably always  
will too!) If I'd write all I  
wanted to say I'd never be able to  
do it. We've had so many memories  
a million left. Remember our first year  
when we met - Miss Knapp and the times at  
Terri's house?? Who could forget. Just think of the  
all our classes from 1st grade up! Monday night and this. I go  
memories we'll have after Monday night and you'll go  
summer at "Big" World. Always keep in touch with me whenever  
far in this "Big" World. Always keep in touch with me whenever  
you are and never forget me. (how can I forget you!!)

Love,  
Laughter  
Happiness

A.S. Remember the night we got lost  
with Stoney and Dave!! The time  
we were looking for Jeff's and  
the Saturday at Ron Dean's sisters.  
And THAT Friday Night!!!!

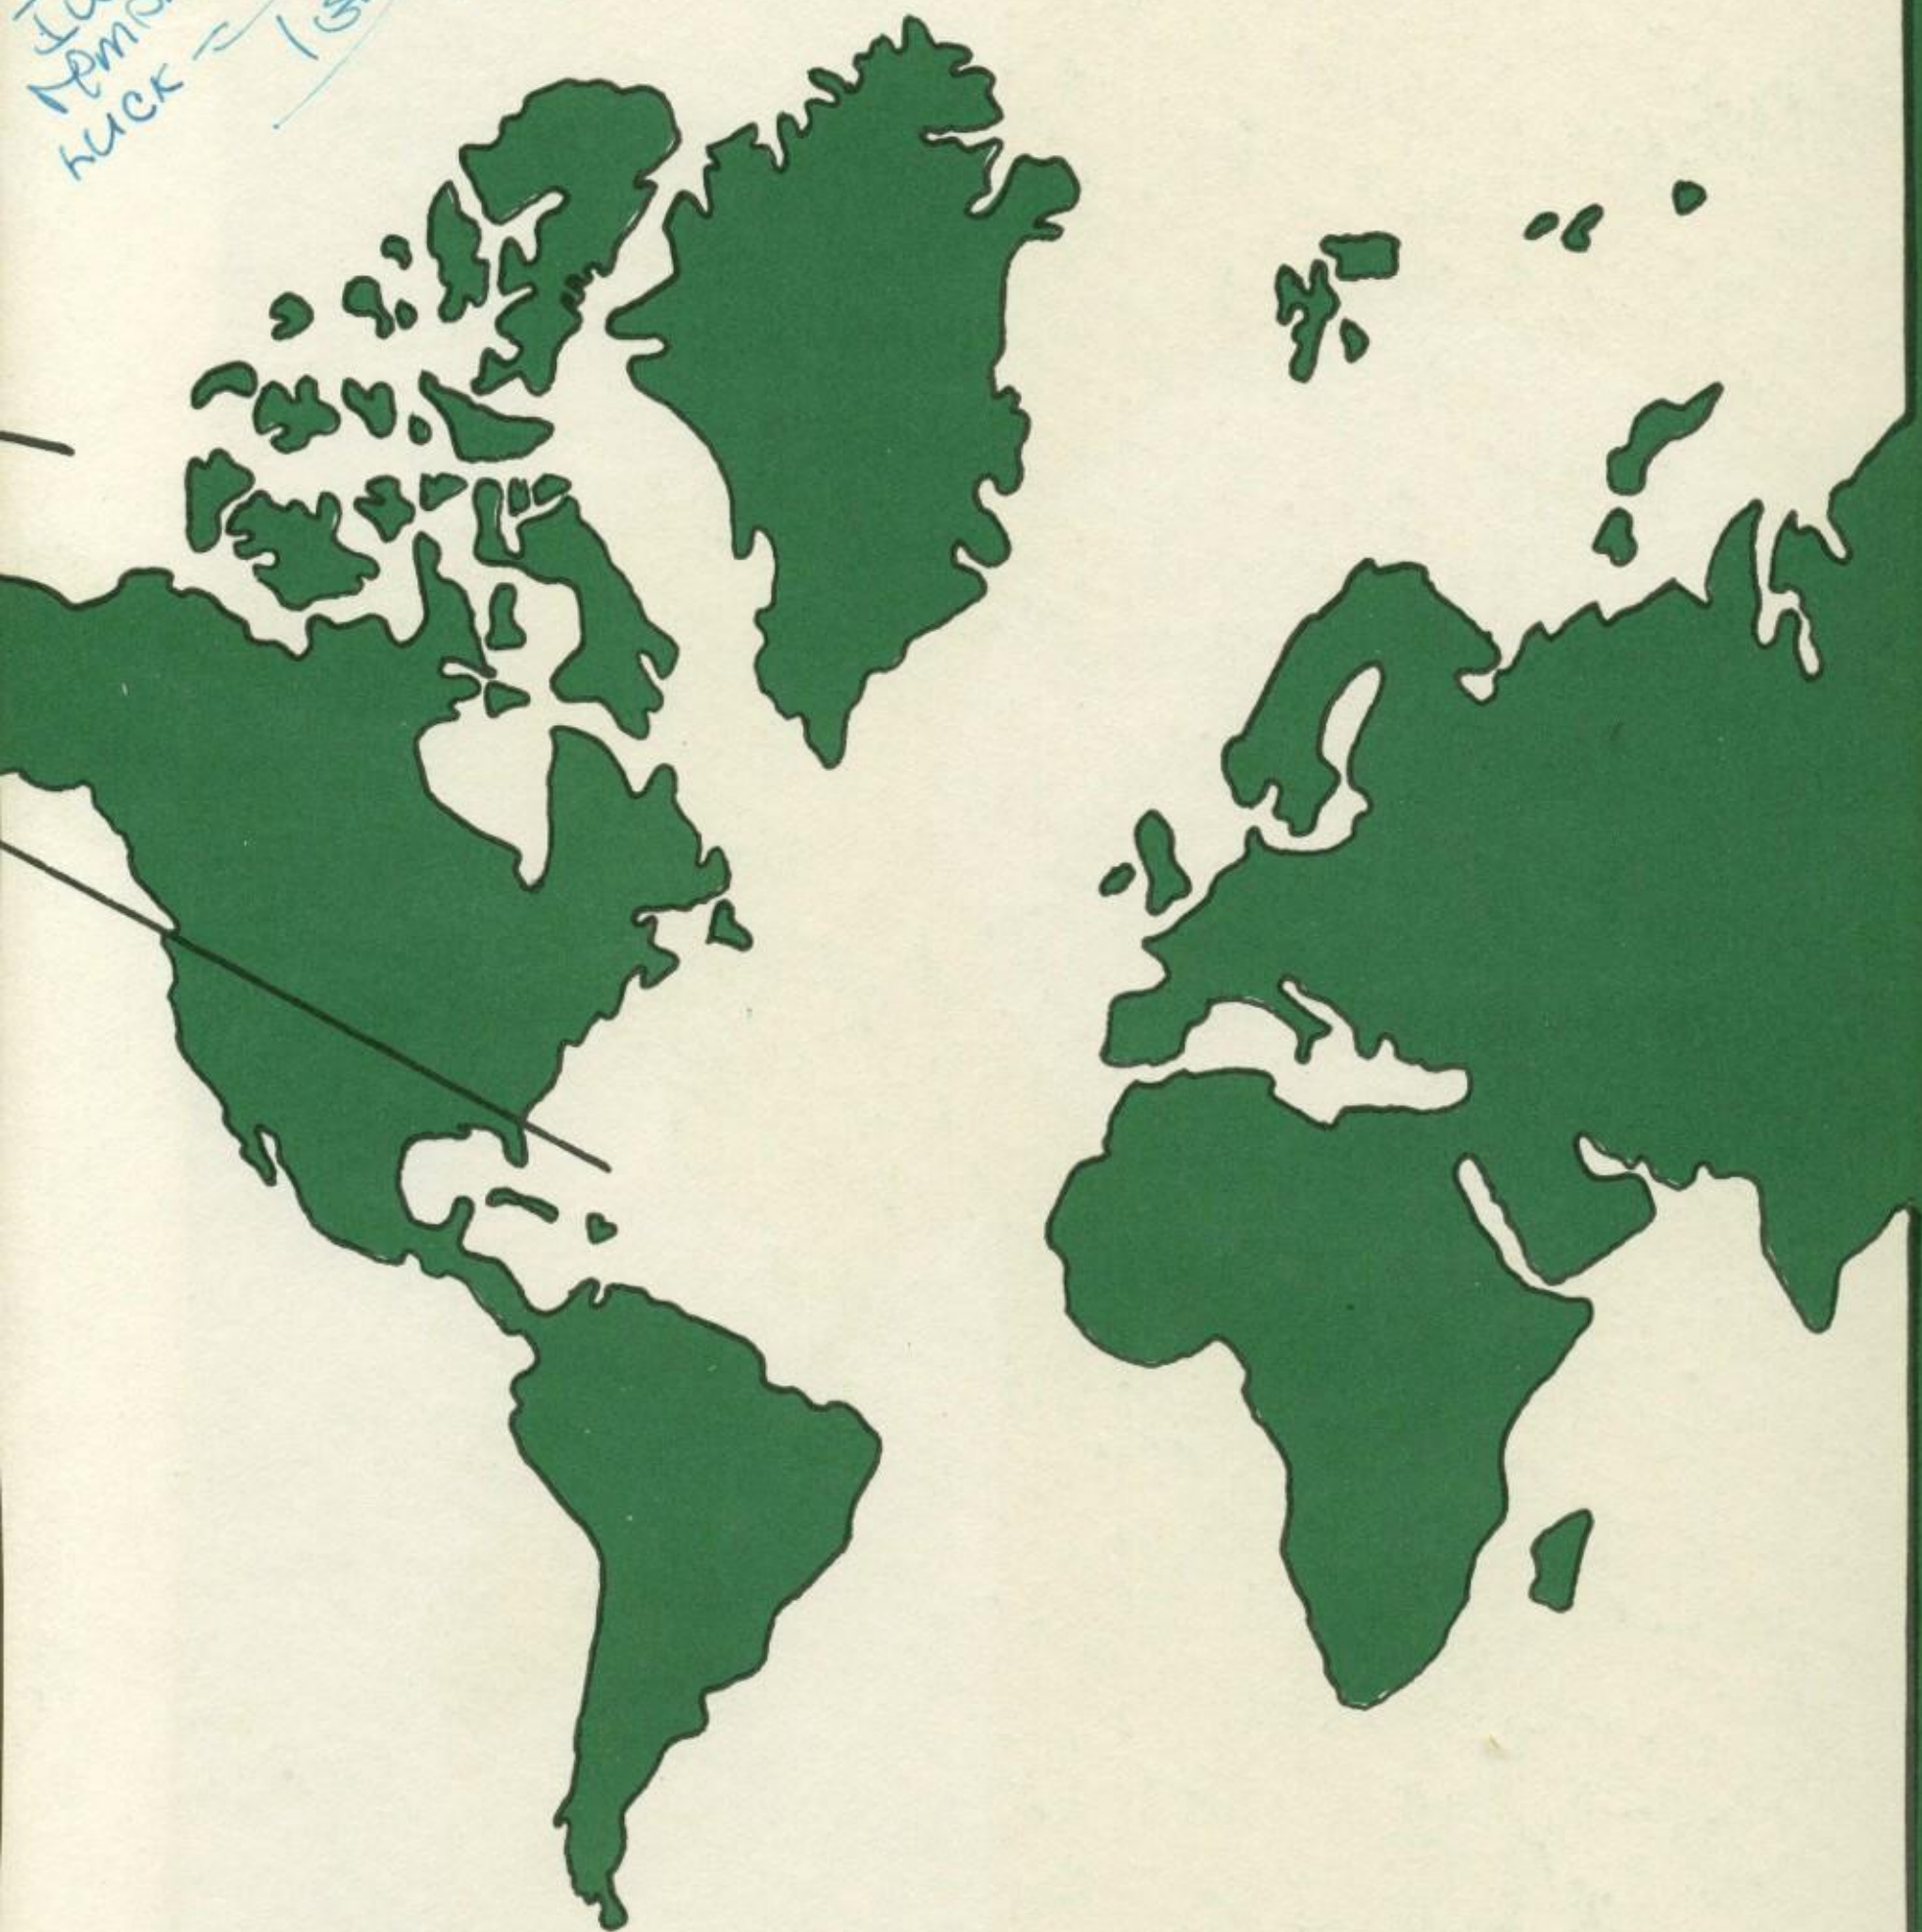

Sickie,  
It would  
take this whole  
book to sum  
up our good  
times. I hope  
you'll never  
forget them.  
I know I won't.  
Whatever your  
aim become, I'm  
sure you'll  
succeed. I'm  
gladly  
Bless you, Sickie  
Dad

Vicki -  
To a real  
sweet girl whom  
I will always
